

WAC 392-172A-07025 State use of targets and reporting. (1) The OSPI uses the targets established in the state's performance plan and the priority areas to analyze the performance of each school district.

(2) (a) The OSPI reports annually to the public on the performance of each school district located in the targets in the state's performance plan; and makes the state's performance plan available through public means, including posting on the web site of the OSPI, distribution to the media, and distribution through public agencies, subject to subsection (4) of this section.

(b) If the OSPI collects performance data through monitoring or sampling, the OSPI includes the most recently available performance data on each school district and the date the data were obtained.

(3) The OSPI must report annually to the department of education on the performance of the state under its performance plan.

(4) The OSPI does not report any information to the public or to the department of education on performance that would result in the disclosure of personally identifiable information about individual students, or where the available data are insufficient to yield statistically reliable information.
